

Dear Asio,

How are you? We are class Ia cosmetic at Anna-Hermann school Kerpen. We started our training in August. There are 27 girls in our class, we are 16 to 24 years old. Thank you very much for your letter. We hope everything is going well for you at school. In our English lesson we talked about Uganda and your life. It's interesting to read about your country and to get to know new things. We liked to see your photo and to get an idea of you. We would like to hear from you how you celebrate christmas in Uganda. At school we have a christmas celebration for all the students. Our class contributes to it by song. After the celebration our holidays begin.

We wish you a merry christmas and a happy new year.

Melina  
thanks for your letter!
