

Dear Godfrey,

How are you? We are students of Práha Kernen. We've just learned something about you and your country. We hope you are fine.

It's winter here and Christmas is approaching. At school we do a training to be gymnastic teachers.

We learn aerobics and a lot of us are playing volleyball. Others like to dance. We are 26 girls and 3 boys.

One part of our training is also massage. Other subjects are German, Maths and English. We are between 16 and 22 years old.

In our free time we like reading books, listening to music, singing, playing soccer, meeting friends, going to the cinema, and going swimming.

We look forward to hearing from you.
